Packed House

The Goshen High School Crimson Players put on their annual fall play, *Anne of Green Gables*, in the school auditorium, November 19, 20 and 21, 1993. Directors were Doug Cartwright & Marcia Yost. Stacie Maupin was the student director.

The play was a challenge for the actors and directors. Anne's life was revealed in several scenes from a four-year time period. Much of the challenge was in the arena of emotional conflict that she faced at home and at school.

The play was seen by many, as evidenced by a packed auditorium each night. "The kids did a great job," Yost commented.

Homecoming

Susan Yoder and Doug Yoder watch closely as Mr. Caddell kisses a pig. He was chosen for this honor by students putting money into his bucket. All money raised went to the Arlene Fisher Fund.

Renita Shetler and Chane Steiner were crowned king and queen at Homecoming.

REDSKINS ON SAFARI

Homecoming was again a big hit, with the football team defeating Warsaw 27-16. Lots of fun games and activities took place before the kickoff. Coming in first place for the float contest were the juniors, the seniors in second, sophomores in third and the freshmen in last place.

Also taking place was the crowning of Homecoming queen, which this year was senior Renita Shetler. This was a fun-filled evening for all.

Musical

The cast is all smiles after one of the many numbers performed

This year's musical, *Godspell*, was a great success for all who were involved. During the performances many people, cast and audience included, got into the emotion behind the powerful story line. For some it was a chance to see familiar Bible stories and parables in a new light and for others it was a chance to see and understand them for the first time. Whether it was a first experience or one that was not so new, most people left with a whole new attitude and outlook for life. The moving performances will be remembered for years to come by the ones who watched and for a lifetime for those who acted them out.

Crimsonaires

Crimsonaires had a good year this 1993 and 94'. They performed many great shows, including a couple they did in Canada. They ended up winning the best show choir performance award, while in Canada.

This year the Crimsonaires, again, did there annual travel day, which consists of going to area elementary schools and performing a couple songs for the children.

The Crimsonaires closed out this year by performing a three-day spectacular for the public. At these shows, each Senior sang a solo.

This was another great year for the Crimsonaires!

The entire wedding party

Taking their first step together as man and wife are Marci Stoll and Tony Beltran.

Mock Wedding

On the 9th of March, 1994, two people were "married" at the First Church of God in Goshen, Indiana. Marci Stoll and Tony Beltran were the bride and groom in the annual mock wedding that the Married Life class holds. Lots of preparations were involved in making the wedding work. From the invitations to the wedding cake itself, the class worked hard. Mr. Clark gave away the bride and Rev. Alan Larson performed the ceremonies. The wedding party included: Christina Diaz (Maid of Honor), Heather Tobias, Tammy Cripe, Dawn Replogle, Mario Garber (Best Man), Allen Hodge, Matt Faldoe, Brian Ortiz, Laura Solano (Flower Girl), and Nathan Scherick (Ring Bearer). After the wedding, the serving committee made sure everyone had plenty to eat. They included Jennifer Peterson, Betty Bigler, and Dawn Holland. Finally, when it was all over, the clean-up committee made sure everything was as it was before the wedding ever took place. The members of this committee were Kevin Holloman and Scott Swank. Adam Hawn and Anitra Pottenger also helped by taking the video and monitoring the guest registry, respectively.

Mr. Clark prepares to give away the bride as the wedding party looks on.

This year's Prom theme was "Stars over Manhattan." And as you walked into the Goshen High Gym, it was easy to believe that you were really in New York. From bag ladies to carriage rides, the junior class went all out. Highlights included a special duet by Ms. Yost and Mrs. Yoder plus a dance group. Jeremy McLaughlin was crowned Prom King and Amy Brouillette was Prom Queen while Colin Dechant and Paula Fisher were Prom Prince and Princess. In retrospect, Prom was once again an enjoyable experience to be remembered by all.

The 1993 girls cross country team improved their season record to 5-7 this year. The girls MVP was Jassica Milton. The team was led by seniors Milton and Kelly Kintigh.

The boys cross country team had a rough season with a 2-10 record. The highlight of their season was having MVP junior Jon Dolph place 2nd in sectionals and then compete in regionals.

Both teams are looking forward to a promising season next year. Despite losing three seniors to graduation, they're hoping to improve their season record and to enlarge their team next year.

A highlight of the season was when the girls' beat Concord. This was Coach Rose Kettlebar's 250th career win in which they, she stated, "played superbly".

Some goals that were accomplished were a winning season and placing higher in the conference, which they placed 4th.

The wrestling team started the year under a new coach, Mr. Jim Packard. They had a very stable year with a 10-6-1 record in dual meets for the regular season. Standout athletes this year were seniors Brian Hersberger and Shannon Hunter, juniors Miguel Navarro and Beau Trosper. This year's season was highlighted by three wrestlers participating and placing in the state meet. Hersberger placed fourth at heavyweight, Hunter seventh at 171, and Navarro sixth at 189. Goals achieved for this year were taking wrestlers to state and having them place. The goals for next year are to increase the size of the team in numbers, and to improve the dual-meet record.

Holiday Tourney

The 1993-94 boys' basketball team finished with a winning record of 14-7, a dramatic turnaround from last year's 7-14. High points of the season, of which there were many, were winning the Holiday Tourney and beating teams like Westview, Mishawaka, and Plymouth. Another accomplishment of this year's team was never losing two games in a row. The team was led by seniors Brett Weddell, Jon Everingham, and junior Josh Sheets. Everingham went on to be named to this year's All-Conference team. Coach Sorrell said even though no goals are yet set for next year's squad, they've expected to be high especially with some of this year's JV players moving up from their 15-5 record.

SECTIONAL

The girls' basketball team ended a well-played season with a 12-10 record. Although no single player dominated the headlines, Coach Carbaugh was pleased to point out that it was all team effort. The girls were ranked number 1 in the area on defense. They held their opponents to an average of 35.7 points per game. This strong defense helped them win the sectionals and accomplish this year's goals.

Some of the goals for next year are staying number 1 on defense, winning the holiday tournament, winning sectionals again, and improving the win/loss record.

Junior Miguel Navarro and senior Brian Hershberger.

The boys baseball team finished their season with a record of 11 wins and 17 losses.

A big goal accomplished this year was finishing no lower than 3rd in their conference. This was helped by the stand-out performances of seniors Allen Hodge and Nich King and junior Kevin Baderdeen.

A highlight of the season was when senior Scott Miller threw a no-hitter against Warsaw. Another exciting highlight was when the boys took no. 7-ranked La Porte into extra innings.

A few of the goals for next year are to win NLC and Sectionals, and to achieve a 20-win season.

WE ARE PEOPLE HELPING PEOPLE

Caring Close to Home

If it is true that a hospital is people, then there has always been a hospital in our community. Since the days when the "hospital" was a handful of beds in a room above the doctor's office, there have been people providing for our community's health-care needs.

The hospital we know today as Goshen General Hospital began in 1909, when the people of the Goshen area held the first meeting to organize the Goshen Hospital and Training School. After several years of fund raising, the hospital opened its doors on Fifth Street with a bed capacity of 25. The new hospital in its present grounds was opened in 1955.

Since that time, Goshen General Hospital has invested considerably in updating and expanding its facilities to provide the most progressive medical services available.

Medical technology has changed greatly, and new technology and treatments are developing faster than ever today. But one thing that has never changed — and never will change — is our commitment to caring. Caring extends not only to individual patients, but to their families as well. Caring that comes from therapists, technicians and service staff as well as from doctors and nurses. Caring not only from the hospital to the community, but from the community to the hospital, as evidenced by our outstanding volunteer programs.

And therein lies the story of Goshen General Hospital. It is a story of caring that extends from the people of the hospital to the people of the community and back again. There has always been a hospital in our community and, thanks to your support, there always will be.

If you want to become part of this caring for people, you can't ask for a greater reward in life. We encourage you to consider a career in the health care field.

NANCY ALLISON YODER Feb. 15, 1978-May 14, 1993

I was having a good day
Going through the norm
But then it changed suddenly
My life became a storm

Although she was not a friend of mine
My heart did fill with sorrow
For her name did freeze in time
For her there's no tomorrow

Many prayers go to her family
Her father and her brother
I'm sure no one feels her loss as hard
as her unsuspecting mother

Many tears were shed at first word
People said we were stunned
But the mood here at GHS
I think was a surrealistic one

We will come through this
But when we are much older
We will look back to '93
The year of Allison Yoder
